IAN ATKINSON

Ian Atkinson is an international award winning photographer, whose work has been exhibited in some of the worlds leading art galleries. His portfolio of market leading companies is extensive, with specialist knowledge in advertising, editorial and portrait photography. Over the last 20 years, Ian has worked in many different photographic genres and has published numerous books relating to editorial and documentary photography. During his professional career he has amassed a wealth of knowledge and developed outstanding creative skills, throughout all sectors of the industry.

Ian is passionate about photography and producing images which inspire the imagination. His development of creative ideas and the bringing together of technology to create stunning high quality images is at the forefront of his practice.

This booklet showcases some of Ian's most recent work and demonstrates his creative approach to each project.
